

TRIBUTE TO ONCE A MEMBER OF THE BOARD OF DIRECTORS AND THE EXECUTIVE COMMITTEE

It is with deep gratitude and immense admiration that we pay tribute to Marcel Couture, an exceptional man whose contributions to our association have left a lasting mark.

A member of the Board of Directors of the Montreal branch since 2013, Marcel quickly distinguished himself through his dedication and exemplary diligence. Taking on the role of treasurer in 2014, a position he held until 2021, he brought his expertise, professionalism, and unwavering commitment to the service of the association. Year after year, he meticulously handled the financial responsibilities, playing a vital role in the growth and success of our organization.

Without Marcel's steadfast involvement, the association would not have reached the heights it achieved during his tenure. His tireless work, often accomplished behind the scenes, allowed our branch to thrive and successfully carry out numerous projects.

We wish to express our heartfelt gratitude for the years he dedicated to our cause. His passionate commitment and strong sense of duty will remain a source of inspiration to all of us. Thank you, Marcel, for everything you have done. You are, and will always be, a model for our community.

For those who wish to pay their final respects to Marcel, please refer to the obituary below for details regarding the funeral services.
